

## YES ON 5 A BETTER BOSTON

*"It meant everything to me to buy a home and have a place that my daughter and I can call our own. More people need this opportunity – moms and dads, seniors, veterans, and so many others who struggle to afford housing. A YES vote for the Community Preservation Act (Question #5) can help create new homes Boston residents can afford, enabling our families to stay in the city."*

# The Boston Globe

***"On a crowded ballot, Question 5 is worthy of attention and support... The breadth of the coalition behind Question 5 proves this is the right time to do the right thing for Boston."***

*(Boston Globe, 10/18/2016)*

***"I'm voting YES on Question #5 because I want to see our City making investments in the parks and open spaces that my kids enjoy."***

*Diane, Fiona and Finn, South Boston*

***"We have to make sure Boston remains a place our seniors can afford and Yes on 5 is the way to do it."***

*Ginnie, Jamaica Plain*

***"Small businesses thrive when the neighborhoods thrive, and that's why I'm voting YES on Question #5 for Boston."***
