Town of Braintree is an Equal Opportunity Employer
Community Preservation Manager

Definition

The Community Preservation Manager is a part-time professional position. Part-time is defined as up to 10 hours weekly, presently based on current work load as determined by the Director, however could have potential increase in hours depending on annual review. Position will be located within the Department of Planning and Community Development reporting directly to the Director of Planning and Community Development and Chair of the Community Preservation Committee.

The Community Preservation Manager (CPM) interacts with various applicants and/or applicable Town departments of approved and funded CPA projects under the Community Preservation Act. The position will focus on non-administrative requirements of the Community Preservation Committee assisting the department and Community Preservation Committee with project implementation and completion.

Supervision

This Community Preservation Manager shall work under the direction of the Director of Planning and Community Development and Chair of the Community Preservation Committee.

Work Environment

Work is typically performed indoors, under typical office conditions with occasional necessity for outdoor site visits with exposure to variable weather conditions, loud noises and hazards associated with construction sites.

Essential Functions

The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

- Once projects have obtained funding, the CPM shall work with the applicant in the preparation of the Community Preservation Grant Agreement, applicable title restrictions and public procurement if a Town sponsored project and compliance with all applicable registry recordings.

- CPM is responsible for public procurement of municipal projects or projects on municipal property including the development of either Requests for Qualifications (RFQ), Requests for Proposals (RFP) or Invitations to Bid (IB).
Duties include development of scope/timetables, advertising and all requirements through notice of award.

- Position requires some monitoring of projects/sites and photography of work as it progresses for inclusion in files.

- Responsible for projects that require development of plans, drafting of restrictions and contractual requirements for monitoring agents for both open space and historical projects. Working with and accomplishing the state required mandates for deed restrictions for endorsement and recording.

- Responsible for maintenance of the Community Preservation website as to projects – frequent updating of projects including description and photography.

- Responsible for educational components of the website and other public relations efforts to engage public participation.

- Work with Community Preservation Committee to develop short term and long term goals and performance objectives. Once developed create a Community Preservation Plan with an action plan for implementing goals. Future oversight of annual implementation shall be position's responsibility with bi-annual review and updating.
