PUBLIC NOTICE

is hereby given that the Springfield Community Preservation Committee (SCPC) will hold a Public Hearing to give citizens an opportunity to comment on Springfield's needs, opportunities and resources in regard to open space, historic preservation, outdoor recreation and community housing. Your comments will aid in the development of the Community Preservation Plan, which will be used to guide the SCPC's decision-making on Community Preservation Act (CPA) project proposals. The plan includes guidance and criteria for selecting projects.
